

Liner PRO

LINPRO-TR2874-12W-W

The Liner pro by VOLTRON® is the perfect trunking LED solution for faster and cheaper installations. The pre-wired parts can be mounted very quickly using the click and secure system. This system can be mounted directly on the ceiling or hanging. Because the power supply only needs to be installed at the beginning, this ensures that the connection time is kept to a minimum. This unit is equipped with 8 wires (ACL1, ACL2, ACL3, ACN, GND, DIM+, DIM-, CHR, E1+, E1-, E2+, E2-). Length 2874MM.
